Hybrid Solution

The MT-5310W is proven to provide businesses with the mobility of a tablet and the functionality of a fixed POS terminal.

Extra Protection

Hand strap provides extra protection and eases the user's fatigue during the hours of operation.

Get Even More with A Dock Station

The optional printer dock station has a full array of connectivity ports, allowing the device to perform as an all-in-one POS.

Ergonomic Design

Ergonomically designed pistol grip shaped handle PG-500 for easy carrying the tablet along with an additional battery and optional built-in barcode scanner.

Extended Operation

In addition to the charging dock station, both attachments PG-500 and TA-600 house a removable battery to vastly extend the overall operating time.
