

# There's a **smarter** way forward.

Prior to the current landscape, the modern workplace was pivoting away from traditional employee desks. Workers were on the move, from huddle space to conference room to hotel suite—so a foundation for mobile collaboration was already set. Now, as you encourage or require remote work across the board, how are you empowering your employees to succeed?

## Employee insights

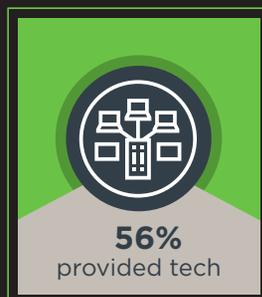

**Only 36%** are confident in their company's ability to operate normally if they work remotely.

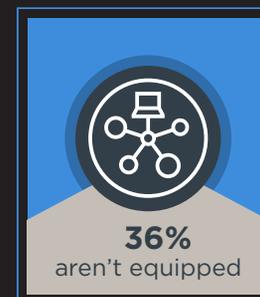

Improved security solutions are needed, as the FBI is reporting a **300% increase** in cybercrime since March.

**37%** feel they are not as productive when working from home versus working in the office.

**56%** report that employers have provided the tech and tools they need to work remotely.

**36%** were not equipped with the devices and tools needed to work from home.
