

BUSINESS DEVICES THAT ARE A CLASS APART

Lenovo 500w Gen 3 (Intel)

Smarter
technology
for all

Lenovo

Packed with the latest Intel Pentium processor and integrated Intel UHD graphics, this lightweight convertible delivers learning anytime and anywhere. A durable 11.6" HD IPS touch display featuring pencil touch technology, and an optional garaged AES pen allows users to easily navigate, swipe, write and annotate documents on the screen while ensuring it stays smudge-free. Plus, up to 256GB of internal SSD storage ensures faster running of multiple applications.

REASONS TO BUY

The optional 5MP world-facing camera coupled with Microsoft Teams integration enables seamless communication between team members across the globe. Microsoft Learning tools helps support learners of all ages and abilities, while Teams provides access to collaboration and file sharing.

Built to endure rugged environments, the device is MIL-SPEC tested for reliability and features 360-degree shock-absorbent rubber bumpers that keep it up and running even after a tumble.

Keeps shoulder surfers at bay with its front camera privacy shutter that locks the camera with a snap when the user steps away.

Lenovo Mini Series offers smaller notebooks for users with basic computing needs like email and web browsing.
