

Windows 10

Lenovo recommends
Windows 10 Pro for Business.

Lenovo DaaS A refreshingly simple approach to device management.

ThinkPad® T14s i

Discover the smarter simplicity of Device as a Service

Take the next step to seamlessly enable your workforce and let Lenovo take care of everything — all for one affordable, predictable monthly fee.

Choose from the latest Lenovo devices running Windows 10 on the Intel® Evo™ vPro® platform — built for what IT needs and what users want — so you can focus on business priorities instead of IT management.

Free up capital
and improve
employee productivity.

Enjoy the simplicity
of one predictable
monthly fee.

**Get end-to-end
services and support**
that precisely match
your needs.

**Easily add or remove
devices** from your plan.
Pause your service as
business needs change.

63% of respondents in a recent global survey indicated they were interested in a DaaS solution.¹

This way to a smarter future

We're here to help your business evolve and thrive no matter how or where your employees work. Contact your Lenovo representative to learn more or visit www.lenovo.com/FlexibleWorkforce.

Smarter
technology
for all
