## High Performance

With SSD and latest Intel® Coffee Lake technology, TX series is faster, cooler and more efficient. In conjunction with fan-free technology, they deliver the unparalleled performance at completely silent operation.

## Expandable and Flexible

Connect to a wide range of POS peripherals and options for greater productivity and flexibility to fit in your store environment.

## Compact and Hassle-free

Small footprint design allow TX series to be placed anywhere you need a Point of Service System. Built-in Powered USB ports free up the need for multiple power adapters for peripherals and keep the counter neat and tidy.
