

Lenovo 14e Chromebook

The Lenovo 14e Chromebook offers smarter technology to support more innovative, creative, and engaging teaching styles in today's modern classrooms. Teachers can access thousands of education apps for students of all ages as well as tools, like Google Classroom and G Suite for Education, that enable better communication and organization.

In addition, the Lenovo 14e Chromebook combines the durability and security of a Lenovo laptop with the speed and simplicity of Chrome OS™. This creates a device that is easy for less tech-savvy educators to use, but also powerful and versatile enough for those who like to push the limits of what technology can do.

Smarter
technology
for all

Lenovo

Lenovo 14e Chromebook

DURABLE AND ENDURING

Designed to meet MIL-STD-810G and Lenovo EDU Spec standards, the Lenovo 14e Chromebook keeps up with today's fast-paced educational environments thanks to a water-resistant (up to 330 ml) keyboard, reinforced ports, and mechanically-anchored keys. All this and a battery that lasts up to 10 hours* on one charge.

MAKE CONNECTIONS

The Lenovo 14e Chromebook features plenty of ports ensuring a quick and easy set-up when connecting to projectors and smart boards at school or external monitors and accessories at home.

EASY MANAGEMENT

With the Chrome Education license on the Lenovo 14e Chromebook, schools can more easily monitor the security and location of all their Chrome devices in a single school or across the region, all from a central location.

performance

With a 2.4 GHz A4 AMD® dual-core processor, up to 8GB of RAM, and up to 128GB of storage, this Chromebook brings power and performance to the front of the class.

accessibility

With G Suite for Education and Google Classroom, teachers can access their documents on the cloud from shared devices using their unique Google IDs.

portability

Weighing in at just over three pounds, the Lenovo 14e Chromebook is designed to keep up with busy teachers without weighing them down.

*Based on Google Chrome Power_LoadTest, a battery run down test. For more information about Google Chrome Power_LoadTest, visit www.chromium.org. Test results should be used only to compare one product with another and are not a guarantee you will experience the same battery life. Battery life may be significantly less than the test results and varies depending on your product's configuration, software, usage, operating conditions, power management settings and other factors. Maximum battery life will decrease with time and use.

optional offerings and services

Lenovo offers a comprehensive portfolio of services to support and protect your investment—so you can focus on education, not IT.

CHROME EDUCATION LICENSE

Enables IT administrators to manage multiple Chrome devices within a centralized, easy, and intuitive software interface. Lenovo is an authorized reseller of Chrome Education license.

G SUITE FOR EDUCATION

Save on software licensing fees with easy access to Google's G Suite family of apps. Cloud management and 24/7 support make Chromebooks easily scalable to any size classroom.

ACCIDENTAL DAMAGE PROTECTION (ADP)

Prevents the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

WARRANTY EXTENSION (1-YEAR BASE, UP TO 3 YEARS TOTAL)

Helps you accurately budget for PC expenses with a fixed-term, fixed-cost service that protects your valuable investment and lowers the cost of ownership over time.

ONSITE WARRANTY

Ensures covered upgrades will be addressed by the next business day. This convenient service keeps your machines and data on school grounds throughout the repair.

accessories

LENOVO ESSENTIAL COMPACT WIRELESS MOUSE

This compact and portable wireless mouse connects via Nano USB and accommodates left- and right-handed users.

LENOVO PRO WIRED STEREO VOIP HEADSET

This headset offers the versatility of using the USB or 3.5mm connection, allowing users to stay connected with their PC or personal device. It also features a noise-cancelling microphone that eliminates background noise for better conversation. Set up is easy—simply plug in and go.

THINKPAD 14-INCH SLEEVE

This durable, lightweight sleeve is designed to protect the most recent generation of ThinkPad notebooks from dust, shocks, scrapes, and scratches. It features a padded carrying handle and slim design that stows easily in a larger bag.
