

Lenovo 100w GEN 3

Built on the Windows 10 platform and packed with the latest AMD® 3015e processors, the Lenovo 100w Gen 3 enables learning anywhere and everywhere with a familiar interface, advanced security features, and simplified device management. Plus, new Wi-Fi 6 capability keeps students and teachers connected anytime, anywhere.

Weighing less than 3 pounds and boasting up to 12.5 hours* of battery life, the Lenovo 100w Gen 3 is designed to withstand the bumps, drops, and spills of life on-the-go. Plus, it's available with Microsoft collaboration software to support learning from home, making it the perfect device to ensure that education continues uninterrupted no matter what the future holds.

*Based on testing with MobileMark 2018. Battery life varies significantly with settings, usage, and other factors.

Lenovo 100w GEN 3

FUTURE-READY FEATURES

The Lenovo 100w Gen 3 combines the user-friendly Windows 10 platform with the latest AMD® 3015e processors to propel students ahead, whether researching, writing, or collaborating virtually. The 720p HD front-facing camera turns the classroom into an interactive learning environment and ensures class continues as normal even if everyone is connecting from home.

IMPROVED CONNECTIVITY

In addition to a battery that lasts 12.5 hours on one charge*, the Lenovo 100w Gen 3 features multiple ports that make it easy to connect to classroom peripherals or connect headphones for listening to lectures at home. New Wi-Fi 6 capability coupled with Microsoft Teams integration makes it easy to stay connected with teachers and classmates by enabling virtual face-to-face interactions.

BUILT FOR BUMPS

As learning transitions out of the classroom and into the world, you need a device that's designed for life on the move. Thanks to its drop-resistant design (up to 75 cm) and reinforced ports and hinges, the Lenovo 100w Gen 3 can handle just about anything from the classroom to the science lab to the kitchen table.

EXTREME SECURITY

The Lenovo 100w Gen 3 is protected by multiple built-in security solutions including Windows 10 security features that protect the device from unauthorized use and Lenovo security features such as a camera privacy shutter.

durability

Designed to meet MIL-SPEC-810H and Lenovo EDU Spec standards, the Lenovo 100w Gen 3 has improved resistance to spills (now, up to 360 ml), while reinforced ports and improved mechanically-anchored keys combine for more uptime and fewer repairs.

accessibility

Reading tools, available through Windows for Education, make it easy to highlight text, break down words, and read text aloud to help students of all learning abilities make the most of their lessons.

security

Physical security features, like a privacy shutter for the camera, combine with distance-learning software solutions to protect students, their data, and their devices.

*Based on testing with MobileMark 2018. Battery life varies significantly with settings, usage, and other factors.

optional services

Lenovo offers a comprehensive portfolio of services to support and protect your investment—so you can focus on education, not IT.

WINDOWS FOR EDUCATION

Microsoft Learning Tools apply proven techniques to improve reading and writing skills for students of all ages and abilities. Personalized learning tools, Teams integration, and Flipgrid video sharing allow teachers to educate students whenever, and wherever.

PREMIER SUPPORT

Provides direct access to skilled and experienced Lenovo technicians offering comprehensive hardware and software support. Gives you a consistent point of contact within Lenovo to ensure that your case resolution is professionally managed from start to finish.

ACCIDENTAL DAMAGE PROTECTION (ADP)

Prevents the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

ONSITE WARRANTY

Ensures covered upgrades will be addressed by the next business day. This convenient service keeps your machines and data on school grounds throughout the repair.

ASSET RECOVERY SERVICES - CERTIFIED EOL ASSET DISPOSAL

Helps you mitigate the environmental and data security risks associated with disposing of old assets, including competitors' products.

accessories

THINKPAD 12-INCH SLEEVE

This fitted sleeve is designed to fit the most recent generation of 12-inch notebooks. It helps to protect the device from dust, shocks, scrapes, and scratches for superior PC protection. The slim, lightweight design also stows easily in a larger bag.

LENOVO USB-C 7-IN-1 HUB

Sleek and compact, this USB-C hub offers one-stop docking with up to seven options. Easily connect to an external 4K display with HDMI and up to three USB-A devices. There are also two SD/TF card readers and USB-C power pass-through.

LENOVO ESSENTIAL USB MOUSE

This mouse features an easy plug-and-play connection to PCs with a USB cable. The ergonomic full-size design provides comfortable grip for all day comfort. A high-resolution, 1600 DPI optical sensor ensures you'll be smoothly gliding from window-to-window.

LENOVO 100 STEREO USB HEADSET

This stereo headset features a rotatable boom microphone and passive noise cancellation for clear audio. It is lightweight for all-day wear with comfortable leather and memory-form earcups.
