

# Lenovo 300e

## 2<sup>ND</sup> GEN

The Lenovo 300e 2<sup>nd</sup> Gen is smarter technology for the touch generation. You can tap, scroll, and swipe with a finger. You can also use a common No. 2 pencil to interact with the Lenovo 300e 2<sup>nd</sup> Gen screen without fear of scratches. And there's an AES pen included for even more precision.

With features like a 360-degree hinge allowing for four different modes and a world-facing camera that encourages collaboration, this state-of-the-art learning machine also boasts the latest Intel® Celeron® processor packed with unparalleled power and speed to keep up with today's brightest minds.

## MULTI-MODE LEARNING

The Lenovo 300e 2<sup>nd</sup> Gen meets different types of learners on their level. Its 360-degree Sync hinge allows students and teachers to transition seamlessly between four different modes for reading, writing, drawing, typing, creating content, and presenting it.

## SMARTER FEATURES

No Pen? No problem. With Pencil Touch technology, you can use a No. 2 pencil to interact directly and safely with the touch screen. Pencil Touch is ideal for taking tests, drawing, and notetaking because it's more accurate than using a finger. When more precision is required, an optional integrated AES pen is located just inside.

## NOT YOUR EVERYDAY NOTEBOOK

The Lenovo 300e 2<sup>nd</sup> Gen combines the familiar and easy-to-use Windows 10 platform with the latest Intel® Celeron® processor and an 11.6-inch, 10-point multitouch display to create an engaging learning experience anywhere students go.

## TOUGH TECHNOLOGY

Tough Technology: The Lenovo 300e 2<sup>nd</sup> Gen is designed to withstand the inevitable scrapes, slips, and spills of a typical school day with a rugged drop-resistant design, water-resistant (up to 330 ml) keyboard and reinforced 360-degree hinge.

Lenovo

## flexibility

From laptop to tablet to tent to stand, the Lenovo 300e 2<sup>nd</sup> Gen is like four different learning and teaching tools in one, making it ideal for almost every grade level.

## pencil touch technology

Now you can use a No. 2 pencil to interact directly with the touch screen without marking or scratching it. An optional integrated AES pen offers even more precision.

## durability

Designed to meet MIL-STD-810G and Lenovo EDU Spec standards, the Lenovo 300e 2<sup>nd</sup> Gen features a water-resistant (up to 330 ml) keyboard, reinforced ports, and mechanically-anchored keys.

## optional services

Lenovo offers a comprehensive portfolio of services to support and protect your investment—so you can focus on education, not IT.

### PREMIER SUPPORT

Provides direct access to skilled and experienced Lenovo technicians offering comprehensive hardware and software support. Gives you a consistent point of contact within Lenovo to ensure that your case resolution is professionally managed from start to finish.

### ACCIDENTAL DAMAGE PROTECTION (ADP)

Prevents the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

### ONSITE WARRANTY

Ensures covered upgrades will be addressed by the next business day. This convenient service keeps your machines and data on school grounds throughout the repair.

### ASSET RECOVERY SERVICES - CERTIFIED EOL ASSET DISPOSAL

Helps you mitigate the environmental and data security risks associated with disposing of old assets, including competitors' products.

\*Based on testing with MobileMark 2014. Battery life varies significantly with settings, usage, and other factors.

## accessories

### LENOVO PROTECTIVE CASE

This custom-molded protective case fits your device perfectly while providing full functionality and access to all ports. Its durability, cleanable exterior, as well as reinforced edge and corner protection make it ideal for classrooms, field trips, or anywhere accidental bumps and drops are prone. It also features a translucent backside and clear window for asset tagging.

### LENOVO USB-C 7-IN-1 HUB

Sleek and compact, this USB-C hub offers one-stop docking with up to seven options. Easily connect to an external 4K display with HDMI and up to three USB-A devices. There are also two SD/TF card readers and USB-C power pass-through.

### LENOVO PRO WIRED STEREO VOIP HEADSET

This headset offers the versatility of using the USB or 3.5mm connection, allowing users to stay connected with their PC or personal device. It also features a noise-cancelling microphone that eliminates background noise for better conversation. Set up is easy—simply plug in and go.
