

Workforce Productivity & Collaboration

Lenovo™

Complete Conference Room

Virtual Conferencing, Perfected

Optimized remote conferencing solutions to power today's hybrid workforce

Your virtual conference, enhanced. Lenovo Complete Conference Room enables business to connect teams and ideas from wherever they are located, powering better collaboration and productivity.

Exceptional conference experience, more productive outcomes

Connect teams, enable collaboration, improve productivity—Complete Conference Room is the simple, flexible solution that gives your remote and onsite workforce the freedom to get things done. From small rooms to large conferences, your team can innovate from anywhere they work.

- All-in-one, purpose-built conferencing solution designed to your needs
- Just one click to join meetings
- Tested, integrated Lenovo technology compatible with latest conference platforms (Microsoft Teams, Zoom, Google Meet)
- Enables secure sharing and collaboration
- Gives your IT team full control of all conference rooms, all on one console
- Easy deployment and integration
- Scalable to meet any meeting or organization size

Smart Innovation for Team Success.

Lenovo Complete Conference Room solution powers remote and hybrid teams with smart, efficient, innovative tools to collaborate and innovate. Each component comes with premium technology for a first-of-its-kind immersive conference experience.
