

Lenovo 100e Chromebook GEN 3

Trusted by teachers and students worldwide, the Lenovo 100e Chromebook Gen 3 is fast, easy to use, secure, and affordable. Weighing less than 3 pounds and boasting up to 11.5 hours* of battery life, this device features the latest AMD® processors for Chromebooks running the user-friendly Chrome platform to ensure students are ready for learning from anywhere—in the classroom and beyond.

It also provides easy access to the extensive library of apps in the Chrome Web Store, while Google Play gives learners tools for schoolwork, collaboration, and exploration. The Lenovo 100e Chromebook Gen 3 comes equipped with rubber bumpers to help withstand drops as students are moving between classes or learning environments. And new Wi-Fi 6, optional 4G LTE **, and Bluetooth 5.1 capability keep students connected anywhere learning happens.

*Based on Google Chrome Power_LoadTest, a battery run down test. For more information about Google Chrome Power_LoadTest, visit www.chromium.org. Test results should be used only to compare one product with another and are not a guarantee you will experience the same battery life. Battery life may be significantly less than the test results and varies depending on your product's configuration, software, usage, operating conditions, power management settings and other factors. Maximum battery life will decrease with time and use.

**U.S. only.

Lenovo 100e Chromebook GEN 3

PERFORMANCE YOU CAN COUNT ON

Today, learning happens everywhere. Students need a machine that is ready where and when they need it. The Lenovo 100e Chromebook Gen 3 features an AMD* processor that reduces lag and keeps students powering through any learning session.

GOOD TO GO

The Lenovo 100e Chromebook Gen 3 was designed to keep students engaged and connected whether they're in front of a teacher or in the backseat on the way to soccer. Its 11.6-inch and 720p HD front-facing camera makes it easy to stay connected with classmates while learning remotely and helps teachers keep the in-person learning feel.

BUILT FOR BUMPS

As learning transitions out of the classroom and into the world, you need a device that's ready for the journey. The Lenovo 100e Chromebook Gen 3 was built to make it in any environment with reinforced ports and hinges plus rubber bumpers that can withstand drops up to 75 cm.

CONNECTIONS THAT MATTER

In addition to a battery that lasts 11.5 hours on one charge,** the Lenovo 100e Chromebook Gen 3 has a variety of ports that make it a snap to connect everything from classroom devices to external displays at home. New Wi-Fi 6, optional 4G LTE**, and Bluetooth 5.1 capability keep learning continuous, even outside the classroom walls.

*Based on Google Chrome Power_LoadTest, a battery run down test. For more information about Google Chrome Power_LoadTest, visit www.chromium.org. Test results should be used only to compare one product with another and are not a guarantee you will experience the same battery life. durability

Designed to meet MIL-SPEC-810H and Lenovo EDU Spec standards, the Lenovo 100e Chromebook Gen 3 has improved resistance to spills (now, up to 360 ml), while reinforced ports and improved performance of mechanically-anchored keys combine for more uptime and fewer repairs.

productivity

An AMD* processor and 4GB of RAM combine for a machine that is powerful enough to stand up to the demands of education, keeping students and teachers productive and learning wherever their days take them.

security

Schools can feel good knowing their teachers and students are protected online with an easy-to-use privacy shutter for the camera.

optional offerings and services

Lenovo offers a comprehensive portfolio of services to support and protect your investment—so you can focus on education, not IT.

CHROME EDUCATION LICENSE

Enables IT administrators to manage multiple Chrome devices within a centralized, easy, and intuitive software interface. Lenovo is an authorized reseller of Chrome Education license.

G SUITE FOR EDUCATION

Empowers educators and students to learn and innovate together: anywhere, anytime, at any budget. These powerful tools streamline administrative tasks and challenge students to think critically without disrupting existing workflows.

CHROMEBOOK APP HUB

Access apps for every subject and every grade. These apps come with resources and idea starters to help educators plan creative projects that allow students to take the lead in their own education.

ACCIDENTAL DAMAGE PROTECTION (ADP)

Prevents the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

WARRANTY EXTENSION (1-YEAR BASE, UP TO 3 YEARS TOTAL)

Helps you accurately budget for PC expenses with a fixed-term, fixed-cost service that protects your valuable investment and lowers the cost of ownership over time.

ONSITE WARRANTY

Ensures covered upgrades will be addressed by the next business day. This convenient service keeps your machines and data on school grounds throughout the repair.

accessories

THINKPAD 12-INCH SLEEVE

This fitted sleeve is designed to fit the most recent generation of 12-inch notebooks. It helps to protect the device from dust, shocks, scrapes, and scratches for superior PC protection. The slim, lightweight design also stows easily in a larger bag.

LENOVO USB-C 7-IN-1 HUB

Sleek and compact, this USB-C hub offers one-stop docking with up to seven options. Easily connect to an external 4K display with HDMI and up to three USB-A devices. There are also two SD/TF card readers and USB-C power pass-through.

LENOVO ESSENTIAL USB MOUSE

This mouse features an easy plug-and-play connection to PCs with a USB cable. The ergonomic full-size design provides comfortable grip for all day comfort. A high-resolution, 1600 DPI optical sensor ensures you'll be smoothly gliding from window-to-window.

LENOVO 100 STEREO USB HEADSET

This stereo headset features a rotatable boom microphone and passive noise cancellation for clear audio. It is lightweight for all-day wear with comfortable leather and memory-form earcups.
