

Lenovo 14e Chromebook GEN 2

The Lenovo 14e Chromebook Gen 2 is designed to help students and teachers thrive in a classroom that knows no walls.

Built on the popular Chrome platform and featuring the latest AMD® 3015Ce processor, the Lenovo 14e Chromebook Gen 2 gives teachers access to hundreds of educational apps to delight and inspire students of all ages like G Suite for Education and Chromebook App Hub.

Thinner, lighter, more durable, and packed with new features ranging from more ports to Wi-Fi 6 capability to up to 10 hours of battery life,* the Lenovo 14e Chromebook Gen 2 is powerful and versatile enough to meet every user's need, whether you're a tech-savvy teacher or a young student just starting your journey.

*Based on Google Chrome Power_LoadTest, a battery run down test. For more information about Google Chrome Power_LoadTest, visit www.chromium.org. Test results should be used only to compare one product with another and are not a guarantee you will experience the same battery life. Battery life may be significantly less than the test results and varies depending on your product's configuration, software, usage, operating conditions, power management settings and other factors. Maximum battery life will decrease with time and use.

Lenovo 14e Chromebook GEN 2

POWERFUL OPPORTUNITIES

With the latest AMD® 3015Ce dual-core processor, up to 8GB of RAM, and up to 64GB of storage, this Chromebook powers through lessons for students and teachers of all grade levels. It also provides access to G Suite for Education and Google Classroom tools, which can help teachers facilitate better communication and organization for classes meeting outside the school walls. It also enables everyone to easily access their documents from anywhere using their unique Google ID.

CONNECTIONS THAT MATTER

The Lenovo 14e Chromebook Gen 2 has Wi-Fi 6 to enable a fast, reliable connection for downloads, uploads, and streaming. Plus, it delivers plenty of ports to make it a breeze for teachers to connect projectors and smart boards at school or external monitors and headphones at home.

MADE TO MOVE

Designed to meet MIL-STD-810H and Lenovo EDU Spec standards, the Lenovo 14e Chromebook Gen 2 can keep up with today's fast-paced, on-the-go educational environment. It features a sleek, lightweight design that makes it easy to carry around, as well as an improved water-resistant (now, up to 360 ml) keyboard, reinforced ports, and improved mechanically-anchored keys. All this and a battery that lasts up to 10 hours* on one charge.

EASY ON IT

With the Chrome Education license on the Lenovo 14e Chromebook Gen 2, schools have peace of mind knowing they can quickly and easily track, manage, update, and protect all of these devices—in a single classroom or across an entire district—from one central location.

performance

With the latest AMD® 3015Ce dual-core processor, up to 8GB of RAM, and up to 64GB of storage, this Chromebook is powerful enough to inspire learning anywhere, anytime.

accessibility

With G Suite for Education and Chromebook App Hub, educators and students can easily access their documents anywhere, simply using their unique Google ID.

portability

Weighing in at just over three pounds, the Lenovo 14e Chromebook Gen 2 is easily portable for even elementary school students.

optional offerings and services

Lenovo offers a comprehensive portfolio of services to support and protect your investment—so you can focus on education, not IT.

CHROME EDUCATION LICENSE

Enables IT administrators to manage multiple Chrome devices within a centralized, easy, and intuitive software interface. Lenovo is an authorized reseller of Chrome Education license.

G SUITE FOR EDUCATION

Empowers educators and students to learn and innovate together: anywhere, anytime, at any budget. These powerful tools streamline administrative tasks and challenge students to think critically without disrupting existing workflows.

CHROMEBOOK APP HUB

Access apps for every subject and every grade. These apps come with resources and idea starters to help educators plan creative projects that allow students to take the lead in their own education.

ACCIDENTAL DAMAGE PROTECTION (ADP)

Prevents the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

WARRANTY EXTENSION (1-YEAR BASE, UP TO 3 YEARS TOTAL)

Helps you accurately budget for PC expenses with a fixed-term, fixed-cost service that protects your valuable investment and lowers the cost of ownership over time.

ONSITE WARRANTY

Ensures covered upgrades will be addressed by the next business day. This convenient service keeps your machines and data on school grounds throughout the repair.

accessories

THINKPAD 14-INCH SLEEVE

This durable, lightweight sleeve is designed to protect the most recent generation of ThinkPad notebooks from dust, shocks, scrapes, and scratches. It features a padded carrying handle and slim design that stows easily in a larger bag.

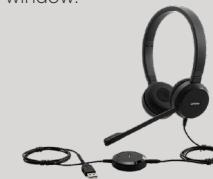

LENOVO USB-C 7-IN-1 HUB

Sleek and compact, this USB-C hub offers one-stop docking with up to seven options. Easily connect to an external 4K display with HDMI and up to three USB-A devices. There are also two SD/TF card readers and USB-C power pass-through.

LENOVO ESSENTIAL USB MOUSE

This mouse features an easy plug-and-play connection to PCs with a USB cable. The ergonomic full-size design provides comfortable grip for all day comfort. A high-resolution, 1600 DPI optical sensor ensures you'll be smoothly gliding from window-to-window.

LENOVO 100 STEREO USB HEADSET

This stereo headset features a rotatable boom microphone and passive noise cancellation for clear audio. It is lightweight for all-day wear with comfortable leather and memory-form earcups.
