

# Lenovo 300e Chromebook GEN 3

The Lenovo 300e Chromebook Gen 3 is powerful, polished, and ready to accompany students in any learning environment. Built on the user-friendly Chrome platform and packed with the latest AMD® processor with integrated AMD Radeon™ graphics, this lightweight, convertible device is purpose-built with the versatility and power to help students and teachers build connections in and out of the classroom.

With features, like a 360-degree Sync hinge, an optional 5MP world-facing camera, and an optional garaged USI pen, this state-of-the-art learning machine is built for the future of education. New Wi-Fi 6 capability means students can now enjoy faster connectivity while researching for projects, watching lectures, and sharing documents, and 4G/LTE keeps students and teachers connected everywhere from the classroom to the kitchen table.

# Lenovo 300e Chromebook GEN 3

## USER-FRIENDLY FEATURES

The Lenovo 300e Chromebook Gen 3 combines the user-friendly Chrome platform with the latest AMD<sup>®</sup> processors. Its 360-degree Sync hinge allows students and teachers to transition seamlessly between use modes for reading, writing, drawing, typing, content creation, and presentation. New Wi-Fi 6 and optional 4G/LTE capability keep everyone connected in the classroom and beyond.

## GET CREATIVE

The Lenovo 300e Chromebook Gen 3 comes loaded with features to set teachers and students up for success. An optional garaged stylus pen frees students to take notes on screen and enables teachers to mark-up classwork on screen, while an optional 5MP world-facing camera enables students and teachers to create and share content. The front-facing camera keeps everyone connected face-to-face.

## HANDS-ON LEARNING

The 11.6-inch HD IPS touch display provides a tactile experience that will captivate the imagination of all learners. But schools don't have to worry about scratches on the displays—this one's made from tough-as-nails CORNING<sup>®</sup> GORILLA<sup>®</sup> GLASS.

## TOUGH TECHNOLOGY

Designed to MIL-SPEC-810H and Lenovo EDU Spec standards, the Lenovo 300e Chromebook Gen 3 features 360-degree rubber bumpers, reinforced ports and hinges, improved mechanically-anchored keys, and impact-tested touchpads so learning won't stop even if the device takes a tumble. Improved water-resistant keyboards (now, up to 360 ml) mean even bigger spills are no match for this machine.

## SAFER BY DESIGN

Chrome devices and browser are secure by design, enabling IT to provide trusted applications to student and teachers while also protecting users and their devices against threats. The Lenovo 300e Chromebook Gen 3 is also equipped with a front camera privacy shutter that makes it a snap to block the camera, so everyone has peace of mind knowing they're protected from hackers.

## durability

The Lenovo 300e Chromebook Gen 3 is designed to MIL-SPEC-810H and Lenovo EDU Spec standards for proven durability.

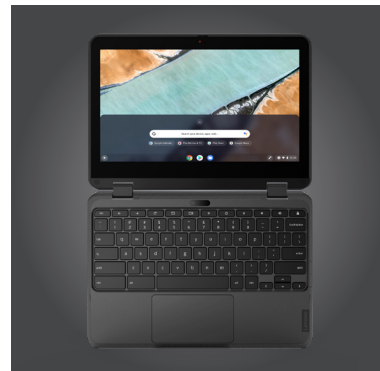

## efficiency

With 10 hours\* of battery life, the Lenovo 300e Chromebook Gen 3 keeps you powered-up throughout the school day and into the evening.

## connectivity

Wi-Fi 6 provides a faster connection for downloads and video streaming, while optional 4G/LTE keeps the whole class connected—even in areas without Wi-Fi.

\*Based on Google Chrome Power\_LoadTest, a battery run down test. For more information about Google Chrome Power\_LoadTest, visit [www.chromium.org](http://www.chromium.org). Test results should be used only to compare one product with another and are not a guarantee you will experience the same battery life. Battery life may be significantly less than the test results and varies depending on your product's configuration, software, usage, operating conditions, power management settings and other factors. Maximum battery life will decrease with time and use.

## optional offerings and services

Lenovo offers a comprehensive portfolio of services to support and protect your investment—so you can focus on education, not IT.

### CHROME EDUCATION LICENSE

Enables IT administrators to manage multiple Chrome devices within a centralized, easy, and intuitive software interface. Lenovo is an authorized reseller of Chrome Education license.

### G SUITE FOR EDUCATION

Empowers educators and students to learn and innovate together: anywhere, anytime, at any budget. These powerful tools streamline administrative tasks and challenge students to think critically without disrupting existing workflows.

### CHROMEBOOK APP HUB

Access apps for every subject and every grade. These apps come with resources and idea starters to help educators plan creative projects that allow students to take the lead in their own education.

### ACCIDENTAL DAMAGE PROTECTION (ADP)

Prevents the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

### WARRANTY EXTENSION (1-YEAR BASE, UP TO 3 YEARS TOTAL)

Helps you accurately budget for PC expenses with a fixed-term, fixed-cost service that protects your valuable investment and lowers the cost of ownership over time.

### ONSITE WARRANTY

Ensures covered upgrades will be addressed by the next business day. This convenient service keeps your machines and data on school grounds throughout the repair.

## accessories

### THINKPAD 12-INCH SLEEVE

This fitted sleeve is designed to fit the most recent generation of 12-inch notebooks. It helps to protect the device from dust, shocks, scrapes, and scratches for superior PC protection. The slim, lightweight design also stows easily in a larger bag.

### LENOVO USB-C 7-IN-1 HUB

Sleek and compact, this USB-C hub offers one-stop docking with up to seven options. Easily connect to an external 4K display with HDMI and up to three USB-A devices. There are also two SD/TF card readers and USB-C power pass-through.

### THINKPAD BLUETOOTH SILENT MOUSE

This mouse features a low-profile, minimalist design, silent buttons, and a blue optical sensor that allows you to work on most surfaces. Effortlessly pair with up to two devices at once and quickly switch between them with the push of a button, thanks to Bluetooth 5.0 and Microsoft Swift Pair technology.

### LENOVO 100 STEREO USB HEADSET

This stereo headset features a rotatable boom microphone and passive noise cancellation for clear audio. It is lightweight for all-day wear with comfortable leather and memory-form earcups.
