Get the most out of Adobe® After Effects® & Premiere® Pro with the right workstation

Every day you're tasked with exceeding content consumers' expectations, while working within tight deadlines and constrained budgets.

To bring your creative vision to life, on time and on budget, you need the right workstation to maximize the full potential of your Adobe creative toolset.

Lenovo Workstations are tested for success

Every power-packed Lenovo Workstation, from high-performing desktops to mobile workstations, are ISV-tested with Adobe After Effects and Premiere Pro. Whether learning to use creative tools or bringing a client's creative vision to life, artists rely on Lenovo's ThinkStation and ThinkPad P Series Workstation solutions, powered by AMD Ryzen™ Threadripper PRO™, Intel® Core™ and Xeon® processors, and NVIDIA RTX™ professional graphics, to iterate more freely while hitting immovable deadlines.
