

M365 Migration Service

Get the most out of your Microsoft 365 and improve employee experience

Lenovo can migrate your users and contents to a new Microsoft 365 tenant with no user downtime or data loss during migration

Smarter
technology
for all

Lenovo

Transform your business for a digital hybrid work experience

By 2024, companies offering frontline workers access to digital collaboration and similar tools will see a 20%³ increase in revenue due to improved productivity

organizations report having little to no formal IT management oversight in place.

50%¹ of CIOs plan to migrate over three-quarters of workloads to the cloud in the next two years to accelerate time to value on digital investments.

Boost real-time collaboration & performance

Increase productivity and real-time collaboration amongst employees while reducing your costs.

Mitigate any skills gaps

Let Lenovo manage the migration for you, so that you can stay focused on business critical work to remain productive.

Have peace of mind with a trusted partner to achieve your migration
