

# Lenovo 300w Yoga Gen 4

The powerful Lenovo 300w Yoga Gen 4 delivers an elevated 360-degree design built for modern education. Boasting the latest Intel® Processor N-series and impressive integrated graphics, this lightweight convertible, connected device unleashes creativity wherever class is in session. Robust security features and student-ready Lenovo DuraSpec standards make this device ideal for learners of every age.

The new anti-fingerprint IPS touch display with Corning® Gorilla® Glass, along with included stylus and Pencil Touch technology, ensure every bright idea is captured. With front-facing camera and optional 5MP world-facing camera, plus Wi-Fi 6 and 4G LTE capability, the Lenovo 300w Yoga Gen 4 fosters seamless connectivity for students to watch lessons, collaborate with classmates, or upload their latest creation from anywhere.

## OPTIMIZED LEARNING

The Lenovo 300w Yoga Gen 4 is powered by the latest Intel® Processor N100 or N200, with up to 8GB LPDDR5 memory and up to 128GB UFS or 256GB SSD storage to spark big ideas from even the smallest learners. Plus, the 360-degree Sync hinge allows students and teachers to transition seamlessly between use modes for reading, writing, drawing, typing, content creation, and presentation.

## ENHANCED COLLABORATION

In addition to an impressive variety of ports and outstanding battery life, the Lenovo 300w Yoga Gen 4 features Dolby Audio dual speakers, a 720p HD front-facing camera, and an optional 5MP world-facing camera, turning anyplace into an interactive learning environment. With Wi-Fi 6 capability and LTE CAT6, students connect faster and stay engaged better, optimizing hybrid learning.

## INTERACTIVE—AND TOUGH—DESIGN

Tap, scroll, and swipe with a finger or stylus on the 11.6-inch, touch display made with tough-as-nails Corning® Gorilla® Glass. Or, with Pencil Touch technology, use a No. 2 pencil to interact directly and safely with the screen without fear of scratches. Built to meet the new Lenovo DuraSpec standards, the Lenovo 300w Yoga Gen 4 withstands whatever the school day brings, including a drop onto concrete from 76 cm, spills up to 360 ml, and A-cover withstand up to 60 kg. Plus, with full-skirted keycaps, reinforced ports, rubber edge, there's nothing this tough convertible can't handle.

## security

The Lenovo 300w Yoga Gen 4 delivers built-in security solutions, including a webcam privacy shutter for visual protection, the Kensington NanoSaver Lock to keep the physical device secure, and Secure Wipe to keep data safe.

## performance

Ready for learning from anywhere, the Lenovo 300w Yoga Gen 4 features the latest Intel® Processor N100 or N200, up to 256GB SSD internal storage, up to 8GB LPDDR5 memory, and Wi-Fi 6 plus LTE connectivity.

## sustainability

Environmental diligence is at the forefront with the Lenovo 300w Gen 4, now with EPEAT Gold certification. And, in addition to recycled/recyclable packaging, the new shipping box is FSC-certified, ensuring sourcing from responsibly managed forests.

## Services

Lenovo offers a comprehensive portfolio of end-to-end services to support and protect your investment—so you can focus on the job at hand, not IT.

### ZERO-TOUCH DEPLOYMENT

Provide students and faculty with an out-of-the box device experience using Windows Autopilot. Quickly enroll devices at scale to your cloud environment to get devices up and running fast.

### ACCIDENTAL DAMAGE PROTECTION (ADP)

Prevents the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

### LENOVO TRUSCALE DEVICE AS A SERVICE FOR EDUCATION

Device as a Service for Education manages the lifecycle of devices so educators and ITDMs can ensure better learning outcomes. Includes affordable monthly payments, education-specific software and solutions, flexible service support, and Lenovo TruScale Device as a Service for Esports.

### SUSTAINABILITY SERVICES

- **Lenovo Asset Recovery Service (ARS)** offers a single-source solution for the secure, documented disposition of IT assets and data, offsetting costs related to your technology refresh and simplifying the transition.

- **CO<sub>2</sub> Offset Service** is a simple and transparent way to offset the carbon emissions associated with your Lenovo devices across their lifecycle.

## Accessories

### ThinkPad 12-Inch Sleeve

This fitted sleeve is designed to fit the most recent generation of 12-inch notebooks. It helps to protect the device from dust, shocks, scrapes, and scratches for superior PC protection. The slim, lightweight design also stows easily in a larger bag.

PN: 4X40N18007

### Lenovo USB-C 7-in-1 Hub

Sleek and compact, this USB-C hub offers one-stop docking with up to seven options. Easily connect to an external 4K display with HDMI and up to three USB-A devices. There are also two SD/TF card readers and USB-C power pass-through.

PN: 4X90V55523

### Lenovo Go USB-C ANC In-Ear Headphones

Experience high-quality active noise-canceling audio in a highly portable in-ear package, and switch to an ambient “talk-through” mode at the tap of a button. Designed to work universally with any USB Type-C device, the in-ear headphones include in-line buttons for quick control of playback and calls, and three sizes of silicone ear tips are included for the best fit.
