Lenovo 2-in-1 Laptop Stand

Pain-free focus with a 2-in-1 laptop stand.

The Lenovo 2-in-1 Laptop Stand was designed to solve two frustrating distractions in one: laptop overheating and painfully poor ergonomics. The sturdy, non-slip stand allows you to ergonomically angle your laptop and phone to prevent aches and tension, while ventilation holes improve your laptop's cooling performance.

Why you need the Lenovo 2-in-1 Laptop Stand

Travel-ready design

The lightweight plastic frame features more than 10 non-slip rubber on surface and base to ensure steady use and prevent surface scratches, while its foldable design with a handle, 0.6-inch thickness, and approx. 520 gram weight make it perfect for travel.

Tailored ergonomics

The 2-in-1 Laptop Stand offers a range of adjustable angles from 0° to 54° ± 3°. Add a mobile phone stand, and you've got everything you need to turn any desk into a pain-free, glare-free workspace. And it's versatile to multiple scenarios.

High-performance airflow

Overheating is a common issue when seating your laptop on your legs or flat on a desk. The 2-in-1 Laptop Stand was designed to prop your laptop up and maximize airflow for long-lasting productivity.
