SUPERCHARGED AND DEPENDABLE PERFORMANCE

AMD Ryzen™ Processors: get ready to witness powerhouse performance with the latest AMD Ryzen™ 4000 series mobile processors. Whether you are coursing through a complex document or mining data, work is quicker than ever before.

Superior Memory and Storage: up to 16GB of dual-channel memory and up to 1TB of SSD storage ensure faster access to files and applications so you are always at your productive best.

Smart Power On Login: log in with just a touch and unlock your device within seconds. The Touch Fingerprint Reader integrated on the power button also secures your device from unauthorized access.

USB Type-C Connectivity: unleash the power of full-function USB Type-C. High-speed data transfers, audio, video, and power-delivery is possible with just a single port.

The AMD Ryzen logo features the AMD logo (a stylized triangle) followed by the word "RYZEN" in a bold, sans-serif font.

VERSATILE AND PURPOSE-BUILT

Slim and Compact: sleeker and lighter than before—with an amazingly thin 14.9mm profile and weighing 1.36 kgs—Lenovo ThinkBook 13s Gen 2 is your ideal portable companion to help you work better from anywhere.

Dual-tone Combination: the professional dual-tone Mineral Gray shade on the top cover is sure to make heads turn, whether you are at your desk or on the move.

Stylish Body: metal covers on 3 sides give this laptop a sharp and sturdy look. Carry it around with ease, as the arc-shaped hinge cap ensures the laptop does not slip out of your hand.

Never Run Out of Battery: a single charge is enough to keep your Lenovo ThinkBook 13s Gen 2 going throughout the day. The 56Whr battery lets you work for longer effortlessly.

EXEMPLARY USER EXPERIENCE

Dynamic Display: enjoy impressive visuals in clear detail from any angle at a resolution of up to WQXGA (2560 x 1600) for 4 million pixels on this display. The 16:10 aspect ratio means a larger surface so that you do not have to scroll too often.

Ultra-thin Bezels: narrower bezels than its predecessor with >90% screen-to-body ratio gives more screen and less distraction.

Dolby® Vision™: with Dolby® Vision™ and a 100% sRGB color gamut, get impressive image reproduction. 300nits of brightness on this IPS display maintains consistency and ensures you work without hassle, be it in the office, remotely, or even outdoors.

Service Hot Key: get instant access to device support with the press of a button using the Service Hot Key. You won't need to look for contact information or device details to raise a ticket for your precise issue.

Smart Features: Opening the lid powers up the device. Voice-based AI-powered noise cancellation improves conferencing. Setup the mics for any environment through multiple modes. Comfortable viewing for long hours now possible through built-in blue light filters. Dynamically maximizes system performance with active cooling.

Recommended Accessories

ThinkBook

Lenovo

THINKBOOK BLUETOOTH SILENT MOUSE PN: 4Y50X888XX

This tiny accessory is a perfect companion for your PC. Modern, low profile, ambidextrous design with silent buttons makes it a premium peripheral you won't want to let go of. Get more precision and control with dual-host Bluetooth connectivity (with Microsoft SwiftPair) and 2-way scroll with on-the-fly DPI adjustment to up to 2400. Equipped with a blue optical sensor with track-on-glass compatibility, the mouse works on any glossy surface.

THINKBOOK URBAN BACKPACK 4X40V26080

A multi-functional backpack with anti-theft pockets ensures security on the move. The padded PC compartment offers cushioned comfort, while the high-quality fabric and stylish PU leather accent add to its contemporary design.

LENOVO VOIP 360 CAMERA SPEAKER PN: 40AT360CWW

Get a meeting room-like experience wherever you are, with a 360° microphone, speaker, and camera, integrated into one device. At only 90mm and weighing just 229g, this ultraportable meeting tool is ideal for mobile workers. Collaborate without distractions using its Environmental Noise Suppression (ENS) and Active Noise Cancellation technology that cuts background noise.
