Powerful, mobile, and visually stunning. The ThinkPad® P1 Gen3 is the perfect combination of form and function designed to be admired. Built with rugged, thin, and light carbon fiber the system features an anti-fingerprint finish. The stunning design hints at what’s inside: an amazingly powerful system that offers a choice of the latest 10th Gen Intel Core or Xeon processors and professional NVIDIA Quadro graphics. Pair the style and power of the P1 with display choices that include OLED Touch and 4K UHD with color calibration for crisp, clear images. Experience a robust system built for professionals who want it all without sacrificing looks or power.
