

# There's a **smarter**— and more secure—way forward.

**Smarter  
technology  
for all**

**Lenovo**

The threat landscape is rapidly shifting. Cybercriminals are getting more sophisticated every day, and they are broadening their net beyond high-profile companies. To effectively address today's unique challenges, you need to be more resilient and strategic about cybersecurity. In partnership with the built for business Intel vPro® platform, Lenovo has created the **Smarter Way Forward** campaign to provide insights and resources, helping you better protect your employees and your business.
