THE PLUG-AND-PLAY WEBCAM WITH SMART SECURITY

Add clarity to your business vision with Lenovo ThinkVision MC50 Monitor Webcam. This feature-rich webcam adds easy functionality to your daily operations when paired with compatible monitors¹. Capturing 1080p RGB video images with its 1/2.9-inch RGB sensor, MC50 delivers clear images for all your videoconferencing needs. Its wide 90° field of view fits your content comfortably in the frame, while the cam swivels -45° to 225° and tilts +/-30° up and down. Thanks to Lenovo’s proprietary Smart Traffic Light, which automatically turns on a tiny light when you are engaged in a meeting, and a physical camera shutter, you can say goodbye to privacy concerns. MC50’s built-in dual microphones with noise cancellation provide clear audio that you can count on, captured up to 2 meters away.

¹ MC50 is compatible with selected ThinkVision P & T models.
ThinkVision MC50 Monitor Webcam

### RGB Resolution
FHD (1920 x 1080)
